

# MINA GERGUIS AYOB

## SOFTWARE ENGINEER

Front-End, Back-End, UI/UX, Data Analytics

✉ mina\_gerguis@hotmail.com    🌐 mina-gerguis.web.app    📍 Al Sharqia, Egypt    🎓 Ain Shams University

### PROFESSIONAL SUMMARY

I am a passionate software developer with expertise in front-end, back-end, and mobile app development. I focus on delivering innovative solutions using modern technologies. My experience spans freelance projects and UI/UX design across multiple industries. I am committed to continuous improvement in my technical skills and creative problem-solving.

### WORK EXPERIENCE

#### Front-End Development | 2019

##### Alx Africa Academy

Internship      ehub

- Front-End Development Trainee at ALX Africa trained in HTML, CSS, JavaScript, React.js, and UI/UX principles through hands-on projects.

#### Graphic Design | 2020 - 2022

##### Noir Real Estate

Part-Time      Remote

- Designed and created social media posters for Noir, a real estate and marketing company, focusing on visual creativity, enhancing user engagement, managing brand identity, delivering high-quality designs using Adobe Photoshop and Illustrator, and gaining experience in digital marketing campaigns and team collaboration.

#### UI/UX Designer | 2020

##### Some local brands

Part-Time      Remote

- I designed user interfaces consistent with the visual identity of several local brands across various industries.
- Developed user experience based on customer behavior analysis and usability testing results to improve product interaction.
